Subd. to H. H. the manager

Application from Anno Rama
-Rao Naicker for a loan
of Rs 12000 on the security
of his two Inam villages,
Gangadhorapalli and
Kesaval situated in the
Vellagadenaikkanikkottai and
Hunasur talukas respectively

This is a long-standing
application, the first application
having been made
so far back as 28th August 1891.
The late dewan dealt with
it in May 1895 and rejected
it as the papers
were not submitted to him
for three whole years after
they were received in the
Secretariat, he was
under the altered cir-
-cumstances of the
administration unable
to sanction the loan
applied for. An endorse-
-ment was accordingly
given to the petitioner

The system of granting loans to encumbered inamdars which had been held in abeyance for some time past having been revived in Dec 1896, the petitioner repeated his application but was informed in August 1900 that the Govt regretted their inability to grant his request. Hubo Ramachar tried a third chance in July 1901 and was informed that his request could not be acceded to as it was not convenient to give him any loan that year. He has accordingly done now in an. Lo and his application dated 23rd May 1903, addressed to His Highness.

The two Villages offered as security are Saravanapura Gangadharahalli and Kayenahalla Haval Villages in the Kellad-deream Kote and Hunsur Talluks respectively.

They are stated to have been mortgaged (without possession) at present to Messrs. Rajmundar for Rs 11300 at 7½ per cent per annum and the income is being utilized for the payment of interest.

~~The report and the annual revenue of these two villages are reported to be as below~~

The Commissioner who has made careful estimate of the resources of the villages considers that the overall annual income may be accepted at Rs. 8640 which in his opinion is likely to improve if the villagers are trained properly in modern methods and survey and settlement introduced into them. The market value of the villages is estimated at 12 to 15 lakhs of rupees.

In these circumstance,

I recommend that the loan applied for may be sanctioned at the usual rate of 5 per cent per annum and the Village brought under Court Manage-ment with interest. The debt will be discharged in about 29 years and then the property will revert without any encumbrance to the family of the petitioner. He is the descendant of an old family that has been connected with the Palace for more than one hundred years past ~~and that has~~ ~~rendered good service to the~~ ~~State in the olden days~~ or ~~which~~ ~~in the days~~ ~~of~~ Immediate Kovil Nagaja — His grandfather Annoo Ramadas was held in esteem by His Highness the Maharaja Wadeyar Bahadur. The petitioner himself was a pupil in the Royal School along with H. H. the late Maharaja in his younger days. All these grounds he appears deserving of ~~entitled to~~ consideration and the loan may ~~therefore~~ be graciously sanctioned by His Highness.

To

I. Ananda Rao Esquire, B.A.
Chief Secretary to the Government of Mysore

The humble petition of A. Rama Row Narain,
descendant of A. Rama Row Muvahel
Mysore Durbar.

Most Respectfully Showeth -

That the petitioner's ancestors belonged to the family of Desayes well known at Poona about the latter part of the 17th Century. Coming originally from Sattara, during the disturbances of that age, the family comfortably settled at Poona and gradually rose to such influence and power, that one of its members by name Govinda Rao Venkajee was deputed by Sukaram Bapu, minister at Poona, as Dewan to the Mahanatta principality of Gooty. This appointment continued in the family until the principality of Gooty fell into the hands of

Hyder

Hyder Ali about 1777, when both the Chief and the Dewan Narain Rao were brought as Captives to Seringapatam. The petitioner's ancestor was after some time released on payment of a very heavy ransom but instead of going back to Poona, he stopped there only upon the request of Hyder Ali who gave him a Dufter (Secretariat) and promised to treat him with such respect as was due to the family. Upon the death of Hyder Ali, Narain Rao, who was always dissatisfied with the Mahomedan usurpation, and finding it a convenient moment to attempt the restitution of the Mysore family to the throne, went back to Poona and tried his best to influence the Court in favor of the Royal family. This can be seen from the letter of Amruth Row Raghunath, son of Raghoba Dada (Copy herewith submitted).

2. Valuable Services rendered to the state, during the time of Chick Krishnaraj. - Wodier by Venkata Rao, one of the petitioner's another ancestor who conquered and annexed Dindigul and Vijayamangala, and other forts,

Can

can also be seen from the enclosed copy of Neerup.

3. Narayan Row's grandson was Anoo Rama Row, who was held in high esteem by His Highness the late Maha Raja Krishnaraj Wodier, and his mother Doda Lutchamanneeyavaru. The services rendered by him and the amount of confidence reposed in him can plainly be seen from the copy of His Highness' letter to him in Mahanatty. One of the best specimens of good Council given to the late MahaRaja by Anoo Rama Rao, as Mudaliel, was, in connection with the restitution of the Mysore State, when Lord William Benting, visited Mysore in the year 1834. The restitution was arranged on very stringent terms, one of them being that His Highness should give up Nagar and Bangalore divisions to the British. Anoo Rama Row finding such an arrangement entailed serious loss to the State in future, most successfully influenced the MahaRajah against the restitution under such hard conditions, and this service was appreciated by the GovernorGeneral himself in the Public Durbar held at that time at Mysore.

4 - In consideration of the services the family rendered to the State, His Highness the late Maha Raja was graciously pleased to grant Anoo Rama Row certain Sarvamanyas - After his death and that of his son Venkata Row, Killekacherry Sheristedar, the family was pecuniarily embarrassed very much and the petitioner's father who was a Palace pensioner was therefore obliged to support the family by mortgaging all the Estates. Some of them were subsequently sold and the Sarvamanyams of Gungad Hosahully of Ginahully Hobli of the Heggadadevankote Taluk and Hasawal, a Kayem-gutta Village of Bilkere Hobli of Hunsur Taluk containing an area of about 800 acres each, and yielding a Revenue of Rupees 1200 are the only two now in possession. These have been mortgaged for Rupees 11,300, and the income utilised for payment of interest.

5 - The petitioner most respectfully begs to inform that altered circumstances have brought his family, once rich and influential, to a most pitiable state. That he cannot find any means for clearing his debts, and supporting his family, except through the generosity

of

of Government - He therefore earnestly prays that you will kindly put his poor case before the Government whose generosity and benevolence has already been extended in a similar case of Bukshee Bhima Row's family.

6 . It is therefore his most humble prayer, that Government take his pitiable case into consideration and grant him a loan of Rupees 12000 (upon the same conditions as were stated in the case of Bukshee Bhima Row's family) to enable him to liquidate his debts and save his family from utter poverty and ruin

× Twelve thousand Rupees - AR

7 . For which act of charity and kindness the petitioner begs to remain

Honored Sir.

Your most Obedient and humble Servant

A. Rama Row Narain

Ref Memo No 149 of the 15th September 1891 and reminder No 2741/96 dated 19th May 1892.

Has the honor to submit reports received from the Amildars of Heggaddevenkote and Hunsur on the villages of Gangenahosahalli and Hasanal respectively, belonging to A. Adamsbrow Narain together with copies of Summuds. Abstract statements have also been prepared shewing the income of the 2 villages separately for the last 5 years which

× No 675/782 of 9-3-92.
* 97 of 2-5-92

give an average of Rs 857-11-1 and 442-6-9 respectively. The income from the drylands in Gangada Hosahalli seems to be rather too high and about Rs 100 may be deducted on this account. And allowing 10 percent on the remainder for charge of collection &c, the net income may be estimated at Rs 1080, and this may be expected to improve under Government management. The two villages also contain a large extent of kharab which may become valuable in course of time and the price of the property may be estimated at 12 to 15,000 Rs. This can not be considered too high as the loan now outstanding on it amounts to over 11,000 Rs.

SIR,

I have the honor to submit the accompanying file of records relative to the application of A. Ramrow nar rain, descendant of the late Anoo Ra= marow, Moosahib of the Mysore durbar, for the grant of a loan of Rupees 12000/, on the security of his Sirvamaniyum village of Jangada Hosahulli and Kayengatta vil= lage of Aswalu in the Heggedda= vankotta and Hunsur talooks res pectively to enable him to liquidate a debt of ~~Rs.~~ 11.800, contracted by him from Messrs A Lingaraj Urs, and A. Nanjoondaraj Urs on the hypothecation of the said villages.

The applicant having petition= ed the Government for this loan in August 1891, a report was called for from this office in the matter and the same was submitted with

mys

my predecessor Mr. A. Rangasamiah Iyer's letter No. 202 (11), dated 26th May 1892. The petitioner was however subsequently informed in Government Endorsement No. 467/1384 (13) dated 16/22 May 1895 that the loan could not then be granted.

The system of granting loans to Encumbered Inamdars having since been revised in Government Proceedings No. 5549-57 dated 17th December 1896, A. Rama Row, has renewed his application. × Spare copy handed.

The two villages named above would seem to have originally been granted as Inam to the applicant's ancestors, and to have sometime after passed into the hands of late Gulur Subbanna by a Court sale held in Satisfaction of a decree obtained by him against the applicant prior to the Inam Settlement, which the Villages were Confirmed to the purchaser. The Villages have since been recovered by the heirs of Gulur Subbanna, for Rs. 11,000, by a registered deed, dated 3rd April, 1890, and the debt due to Messrs Lingaraj Bros. and Nunjoondraj Bros. appears to have been Contracted for payment

for payment of the Consideration for the reconveyance.

The accounts furnished by the applicant shew that the income of the Villages for 1898.99 was Rupees 1424.. 8.. 6, and that the same for the past five years averaged ~~Rs.~~ 1406.. 2.. 5, as per particulars given in the annexed statement. The annual expenditure amounts to Rupees 268.. 0.. 2, the net revenue of the Villages being Rupees 1138.. 8.. 4.

Deducting a Sum of Rupees 316.. 8.. 4, on account of any deficiencies in the uncertain and fluctuating items of abKarri, Mohoturfa, &c the balance of rupees 840—.—.— may be accepted as the average annual revenue which may probably improve where the Villages are taken under Government management, and brought under Survey Settlement which has not yet been introduced into the Same.

I am under all circumstances inclined to think that the applicant may safely be granted a loan of Rupees 10.000.., subject to his redeeming the Villages from the existing Encumbrances. The applicant states that the Villages on the Security of which he now prays for

for the loan in question were granted as Inam, in recognition of valuable services rendered to the state by his ancestors, and for a description of the services he refers to his application (Copy Enclosed for ready reference) to Government dated 28th August, 1891, adverted to in para 2, above.

I have the honor to be
Sir.

ABSTRACT

With reference to his previous petitions and the order of Govt dated September 1900 declining to sanction the loan of Rs 12000/- applied for by him, begs to submit that the Govt order may be reconsidered and the loan applied for granted

To,

P.N.Krishna Murti, Esq., C.I.E.,

Dewan of Mysore.

The humble petition of A.Rama Row, descendant of Mr.Anoo Rama Row, Musahib, Mysore Durbar.

Most respectfully sheweth,

That the petitioner is the Inamdar of the villages of Gandanahosahalli and Aswal situated in the Taluks of Heggadadevanakote and Hunsur respectively, which were granted to his ancestors in consideration of special services rendered to the Mysore State. The Inams having been handed down to him encumbered with ancestral debts, and not being possessed of sufficient means to redeem the encumbrances, the petitioner threw himself on the generosity of Government and applied for a loan of Rupees 12,000/- in August 1891. But unfortunately either owing to the delay in the reports from the District or from some other cause, the matter was not disposed of till 16th May 1895, when probably owing to the altered circumstances in the administration necessitated by the demise of His Highness the late Maharaja, the loan applied for could not be sanctioned. Government, however, having been graciously pleased to pass an order again in 1896, reviving the system of granting loans to encumbered Inamdars (Please vide Govt.Pro.No.5549/57 Fl.472 dated 17th December 1896), your humble petitioner took the earliest opportunity to renew his application and in January 1897 applied for the loan of 12,000/-. The petitioner had every

every hope that his prayer would be granted. But to his utter dismay, after more than three years orders were passed in September 1900 to the effect that Government regretted their inability to grant the loan.

Your humble petitioner therefore respectfully submits that he is specially unfortunate in this matter as other Inamdars with less claims to the generosity Of Govt. have been granted loans since the order above alluded to was passed. As, however, his villages yield an annual net revenue of not less than Rs.1200/- and the security for the loan has been invariably reported on by the Deputy Commissioners to be very good, the petitioner emboldened by the liberal policy of Government which rarely refuses to lend a helping hand to the Inamdars of the State, ventures now to approach your honor with this his humble application for a reconsideration of his prayer for a loan of Rs.12,000 which if not granted, would ruin the petitioner's family for ever by rendering him a prey to creditors and depriving him of the only portion of his ancestral estates still remaining in his possession. In doing so, the petitioner fully trusts that with your honor's well known kindness and generosity for the distressed, his humble prayer will be favourably considered, and his present troubles and pecuniary difficulties will entirely disappear.

For which act of kindness and generosity, your honor's humble petitioner shall ever pray, and shall remain

Your most obedient and humble servant,

A Rama Rao Varu

The most humble Memorial of Anoo Rama Rao Narayen, descendent of Mr. Anoo Rama Rao, [illegible] Mysore Durbar

Most respectfully showeth

That your humble petitioner's ancestors were Desais (Petty Chiefs) of Satara. During the troublous period of 17th century they came and settled in Poona and gradually rose to eminence, so much sothat through the intercession of Sakharam Bapu, Prime Minister of the Court of Poona, one of Your Highness's petitioner's ancestors, was appointed Dewan of the principality of Gootty. But when this was annexed by Hyder Ali, Your Highness's petitioner's ancestors were brought as captives to Seringapatam (1770-71) and all their Jaghirs confiscated. They were released only after the payment of high ransom of four lakhs of pagodas to the Mysore coffers. Mr. Narain Rao, the captive, return-ed to his native land, while his son Venkat Rao was given a Dafter (Secretariat). His son Anoo Rama Rao held equally high and important situation during the reign of Tippu Sul-tan, and rendered most valuable services at the time of restoration of His Highness the Maharajah Mummudi Sri Krishna Raja Wodayer after the fall of Seringapatam in 1799.

3-8-03

433

Through the kindness and generosity of Mahamatusri Lakshmammanni Avaru and in consideration of valuable services of Musaheb Anoo Rama Rao, His Highness the Maharajah Sri Krishnaraja Wodayer was pleased to grant Jaghirs and Inam lands.

These, in consequence of the altered circumstances of the family, were mortgaged by Your High-ness's petitioner's father, Musaheb Anoo Narain Rao, a Palace Stipendiary. Some of these were lost to the family,

and two encumbered Inam villages alone now remain.

To redeem them without the generosity and help of Government, Your Highness's humble petitioner is quite helpless. Consequently Your Highness's petitioner personally represented his family troubles and his circum--stances to His Highness the late Maharajah in 1892, whom he had the honor of knowing very well being his classmate, and His Highness was graciously pleased to say that His Highness would consider the petitioner's case favorably and promote the petitioner's advancement and sanction the loan. But to Your Highness's petitioner's misfortune his petition and the reports thereon from the Deputy Commis--sioners were not brought to His Highness's notice with the result that the loan was not granted and his prospects not bettered.

When the petitioner renewed his ap--plication the Government was pleased to order last year that Your Highness's petitioner should apply for the loan this year.

His private affairs have now taken a critical turn and he understands that his creditors have rushed to Court.

Finding no means of redeeming these estates and fearing that these estates earned for valu--able services will be lost for ever for the family, Your Highness's humble petitioner, emboldened by the liberal policy of the administration of Your Highness and also encouraged at the thought of Your Highness's well known generosity for the distressed, begs to approach Your Highness with this humble Memorial, respectfully solicits kind perusal of the records of his case, and gracious sanction of the loan of Rs. 12, 000 pending for a long time in accordance with the rules for granting loans to encumbered Inamdars, and thereby save an ancient Desastha family of Mysore once rich and influential

from utter ruin and poverty.

With this humble prayer Your Highness's humble petitioner begs to remain

Your Highness's most obedient subject and servant,

A Rama Row Naram

Inamdar.
